

Specialise your dental skills at UWA

Our **Doctor of Clinical Dentistry** is a three-year, full-time specialist training program for qualified dentists accredited by the Australian Dental Council (ADC) for specialist registration with the Australian Health Practitioner Regulation Agency.

Our speciality programs include endodontics, orthodontics, oral medicine, oral pathology, periodontics, paediatric dentistry and prosthodontics.

Our clinics and laboratories are equipped with state-of-the-art digital technology to ensure your career success. You'll work with CBCT, CAD/CAM and 3dMD, in addition to rotary endodontics, surgical microscopes and the latest research infrastructure. We welcome students twice a year.

Apply at studyat.uwa.edu.au/postgraduate/apply before 31 June 2017 for early year (January 2018) or mid-year (July 2018) commencement.
