Questions for Confidential Academic or Professional Referee’s Report

In order to assist the Selection Committee in assessing your attributes, the following questions must be addressed by your Referee/s. Hence, you should provide a copy of this page to each of your Referees when you request them to write a Report about you.

1. How long have you known the applicant and in what capacity have you been associated with the applicant?

2. Do you believe the applicant has the clinical skills, the professional judgement and demeanour, and the appropriate organisational abilities to successfully pursue this advanced course of study, the clinical training program and a research project?

3. Please comment on the applicant’s suitability for, and commitment to, the preferred specialist practice.

4. Do you believe that there are any other relevant matters of which a Selection Committee should be aware?

5. Please advise whether you strongly recommend, recommend, or do not recommend the applicant. Alternatively, please advise if you do not have sufficient relevant information to make a recommendation.

The applicant’s name and preferred specialty discipline must be included on the Report.

The Report must be typed, signed and sent by your Referee directly to the School of Dentistry at the address below by mail or email:
